Take Note:

1. Voter registration was launched on 14th September 2017. Voter Registration at static centres (63 ZEC District Offices) started on 18th September 2017 and the National Blitz on 10th October 2017 with 2 697 kits deployed and 303 as back-up.
2. Total voters registered to date is **985,904**. This figure includes figures from the static registration centres for the period 18/9 – 9/10/2017. The above figures show that there are no returns/submissions from **793/2 697** centres on **23/10/17 at 1600 hrs** due to network and communication challenges. Figures from these remote and inaccessible centres are coming at different intervals as and when they manage to get the network or travel to accessible areas. However as and when the figures come in, they become part of the cumulative total.
3. Projected Voter Population figures are for 2018 and include aliens, foreigners and persons without IDs as well as people turning 18 in 2018. Also note that under Zimbabwean law, Voter Registration is not compulsory.
4. Turned Away: The law stipulates age, citizenship and proof of residence as requirements for Voter Registration. Turned aways are persons not complying with these requirements including illegible/defaced documents. Some of the turned away will find their way back once they get the relevant documentation e.g. proof of residence or ID. These issues are being tackled through Voter Education and Publicity Campaigns. The electorate is urged to comply with Voter Registration requirements and prepare their documentation in advance.
